Volume IV, NO. 63

To Dyspeptics.

Indigestion, are an oppression at the atomach, nausen, flatulency, water-brash heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the ase of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

Aven's Bills are sugar-coated and purely pegetable - a pleasant, entirely safe, and re-Lable medicine for the care of all disorders of the stomach and bowels. They are the best of all purgatives for family use. PREPARED BY

Dr. J. C. Ayer & Go., Lowell, Mass. Sold by all Dingsista.

Where is Key West?

Key West is one of the busiest manufac uring ports on the Atlantic coast. Cigars, of course, constitute the principle article of export. The Key West is situated on the Florida coast, only cixty miles from Havena. The famous Key West cigars are made from tobacco of the finest Havana procurable, and made by Cuban workmen. The tobacco only has to pay an import duty of \$2.50 per pound and 25 per cent ad valorum on cigars. The climate is the same as in Cuos, consequently the aroma is the same as in the imported eigars. Smokers should take these facts into consideration and call on Ashmun & Walker, who have just received a fresh stock of the best brands of Key West Cigars, including the 'Estrel. s," "Geionia," "
